

Engineering Night

January 23, 2007

6:30 – 7:30 PM

- 6:30 – 6:45 Welcome (Dottie on history of PLTW, Todd or Chris on the program at the high school so far this year, Linda or John to specifically address their 8th grade parents and students and tell about upcoming Gateway to Technology Program as part of PLTW)
- 6:45 – 7:05 Explanation of our first class, Principles of Engineering (Tim McDermott) and second class, Digital Electronics (Rich McDermott) 5 minutes total
- Student testimonials – two students currently in the class (Tim McDermott will select) 15 minutes for demo
- 7:05 – 7:10 Engineers/team members invited to say a few words (if present) about their area of engineering
- 7:10 – 7:20 Question/answer opportunity
- 7:20 – 7:30 Conclusion, invitation to look around at projects, visit the lab, review handout materials and brochures, etc. and “thank-you” (Dottie)
