

Wisconsin Technical College System

Advanced Standing College Credit Articulation Notice

Project Lead The Way Courses.

Please Note: this information was released in March of 2009 and may be reviewed for accuracy due to program changes from year to year. This credit is only awarded when a student formerly enrolls in the program and institution listed below. For detailed information on course credit articulation agreements please contact the dean of the program for which you have interest in applying this advanced standing credit.

700 Gould Street | Beaver Dam, WI | 920.887.1101

MPTC	Digital Electronics	Digital Electronics	Mechatronics Path	N	C	3	3

A note for school counselors;

To help your PLTW students wishing to take advantage of the advanced standing credit described in this notice of articulation please work to include information on student transcripts as they pertain to the Wisconsin Department of Instructions PI 26.04 – 6 code. This will make the transition of this credit from institution to institution much easier for your students.

“PI 26.04 – 6

The board shall indicate on a pupil’s transcript the name of the course; the high school credits earned and whether those credits were earned through advanced standing, transcribed credit, or the advanced placement program; and the participating postsecondary institution, when appropriate”
