

Wisconsin Technical College System

Advanced Standing College Credit Articulation Notice

Project Lead The Way Courses.

Please Note: this information was released in March of 2009 and may be reviewed for accuracy due to program changes from year to year. This credit is only awarded when a student formerly enrolls in the program and institution listed below. For detailed information on course credit articulation agreements please contact the dean of the program for which you have interest in applying this advanced standing credit.

For general information — Call: (800) 322-6282
 (toll-free in Wisconsin) - (608) 246-6100
 Deaf/hard of hearing, please call through relay at 711.

College	PLTW Course taken in High School	Technical College Course	Technical College Program	PLTW Part C Test Required Y/N	Minimum Grade Requirement B, C, N/A	Credits Awarded to Student	Technical College Credit
MDSN	Principles of Engineering & Intro to Engineering Design	Architecture Graphics 1	Architectural Technician	TBD	TBD	TBD	3 credits
MDSN	Principles of Engineering & Intro to Engineering Design	Architecture Print Interpretation	Architectural Technician	TBD	TBD	TBD	2 credits
MDSN	Principles of Engineering & Intro to Engineering Design & Civil Engineering and Architecture	Elective	Architectural Technician	TBD	TBD	TBD	2 credits
MDSN	Principles of Engineering or Intro to Engineering Design & Civil Engineering and Architecture	Methods	Civil Engineering Technology	TBD	TBD	TBD	2 credits
MDSN	Principles of Engineering or Intro to Engineering Design & Civil Engineering and Architecture	Civil Drawing 1	Civil Engineering Technology	TBD	TBD	TBD	2 credits
MDSN	Principles of Engineering or Intro to Engineering Design & Civil Engineering and Architecture	Elective	Civil Engineering Technology	TBD	TBD	TBD	3 credits
MDSN	Principles of Engineering or Intro to Engineering Design & Digital Electronics	Digital Electronics 1	Electronics Technician/Electrical Engineering Technology	TBD	TBD	TBD	3 credits
MDSN	Principles of Engineering or Intro to Engineering Design & Digital Electronics	AC/DC 1	Electronics Technician/Electrical Engineering Technology	TBD	TBD	TBD	3 credits
MDSN	Principles of Engineering & Intro to Engineering Design	Engineering Tech Fundamentals	Mechanical Design	TBD	TBD	TBD	2 credits
MDSN	Principles of Engineering & Intro to Engineering Design	Engineering Tech Communications	Mechanical Design	TBD	TBD	TBD	3 credits

A note for school counselors:

To help your PLTW students wishing to take advantage of the advanced standing credit described in this notice of articulation please work to include information on student transcripts as they pertain to the Wisconsin Department of Instructions PI 26.04 – 6 code. This will make the transition of this credit from institution to institution much easier for your students.

“PI 26.04 – 6

The board shall indicate on a pupil’s transcript the name of the course; the high school credits earned and whether those credits were earned through advanced standing, transcripted credit, or the advanced placement program; and the participating postsecondary institution, when appropriate”
