A note for school counselors:

To help your PLTW students wishing to take advantage of the advanced standing credit described in this notice of articulation please work to include information on student transcripts as they pertain to the Wisconsin Department of Instructions PI 26.04 – 6 code. This will make the transition of this credit from institution to institution much easier for your students.

“PI 26.04 – 6

The board shall indicate on a pupil’s transcript the name of the course; the high school credits earned and whether those credits were earned through advanced standing, transcribed credit, or the advanced placement program; and the participating postsecondary institution, when appropriate”
